

PUBLIC MEETING: SHAPE YOUR FUTURE

If you could change something about St. John the Baptist Parish, what would it be? Would you like more parks? Sidewalks? Housing options?

You have a chance to make a difference in how our community looks, feels, and functions. The parish is working toward its first-ever comprehensive, long-range land use plan and needs your input.

Come hear about the planning process and share your thoughts on improving quality of life. Public meetings start this month.

Meetings will be held as follows:
